

# THE EU RESEARCH AND INNOVATION PROGRAMME (2021-27)

---

## *Destination 6*

*Objective "Digital Humanism and human compatible technologies"*

# Digital Humanism - Putting people at the centre of the digital transformation (CSA)

- **Create an active network** and cross disciplinary communities on digital humanism bringing together ICT experts, ethnologists, sociologists and experts in fundamental rights
- Help defining and strengthening EU's approach to a human-centred digital transformation as part of the Digital Decade 2030 strategy, **through cross-disciplinary, world class foundational and application oriented research**
- Formulate a list of **recommendations and roadmaps** to address current gaps or issues that are preventing the development of **digital solutions that will reinforce digital humanism across the society**
- Develop a conceptual framework as well as **tools and indicators to monitor and promote the progress of the 'declaration on digital rights and principles'**

**DISCLAIMER:** This topic is planned to be re-introduced in the WP in the upcoming amendment but it has not been adopted by the European Commission yet. Only the adopted work programme will have legal value. The adoption of the amended WP will be announced on the F&T Portal.
